

## Preliminary Notice of Meeting of Owners

Advance information for owners about a  
proposed meeting of owners

### Instruction

This PDF form can be filled out electronically and then saved or printed. When filled out electronically, the form is dynamic - for example, text boxes will expand as you enter information, and checking certain boxes may cause items to appear or disappear as necessary. The blank form can also be printed in full, and then filled out in hard copy. If you are filling out the form in hard copy and you need more space, you may enclose additional sheets of paper with the form.

The purpose of this preliminary notice of meeting is to provide additional advance notice of a planned owners' meeting, before the notice of meeting is prepared and sent to owners. Among other things, this preliminary notice provides ways for owners to suggest material to be included in the notice of meeting. The corporation is still required to send out a notice of meeting to confirm the meeting date and provide additional information to owners about the meeting.
